Re: COPA Log Number 1079222

Dear Mr. [REDACTED]

We are in receipt of your correspondence regarding the alleged police misconduct, which you allege occurred in 1978. The four Chicago Police Department (CPD) employees you accuse of misconduct, and all the officers named in the accompanying police reports surrounding your arrest - no longer work for CPD. While we in no way condone the kind of conduct alleged in your correspondence, our office investigates allegations of misconduct against current members of the CPD. We have closed the above-referenced file as there are no members we can investigate.

Very truly yours,

By:
